

Northern Illinois Science Educators

2026 CONFERENCE

Inspiring Wonder, Fueling Curiosity

iFLY[®] NAPERVILLE STEM EXPERIENCE

**AN EXCLUSIVE
NISE CONFERENCE EVENT**

Experience science in action at iFLY Naperville!
Explore how physics and engineering come to life through engaging demonstrations, interactive activities, and the opportunity to fly in a state-of-the-art vertical wind tunnel. Great for grades 6–12!

Meet the iFLY team, discover their standards-aligned educational programming, and see how iFLY helps students connect classroom learning to real-world STEM applications in a fun and memorable way.
